Service Providers Presenting at Parent Night 8/28/2014

- **Apollo After-School Programs**
- **i9 Sports**

Please see other side for our calendar.

Back To School Night Just For Parents

This Thursday evening will be our parents' turn to sit at their child's desk and get a good understanding of the inner workings of the classroom. We are asking that you choose which adult member will attend and represent your family at this event. The information gathered can then be shared at home with other family members. On the home front, this would allow children to maintain their regular bedtime schedule in preparation for school the next day and provide an opportunity for our teachers to share plans for the year without interruptions. Child care **will not** be available for this event. Thank you in advance for planning accordingly.

The event will begin at 6:30 pm and will provide tools for you to keep informed of classroom activities, expectations, and the academic progress of your child. Because parents, teachers, support staff, and pastors are a team working together on behalf of the children here at VAA, opportunities for parents to serve in various ways throughout the course of the year, will also be a part of the discussion. If you have already filled out a Home-and-School commitment form, feel free to let your classroom teacher know when and where you are able to assist, and share some of your ideas with him or her. We do need and appreciate your participation.

Please plan to arrive at the Parent Night event during our refreshment time from 6:00 to 6:30 pm. This will give us an opportunity to introduce ourselves to you prior to the start of the meeting. See you then!
